OA World Service Organization has designated the 3rd weekend in August for Sponsorship Day. San Antonio Area Intergroup is proud to participate by offering this workshop on Saturday August 18th from 1 to 3 pm. Sponsorship is one of our tools of recovery. The OA website says, "We ask a sponsor to help us through our program of recovery on all three levels, physical, emotional, and spiritual." Who should come to this workshop? People who are sponsors, people who are looking for sponsors, and anyone who has a sponsor. We hope to see everyone there.

*Why do I need a sponsor?*

*Should I feel responsible if a sponsoree relapses?*

*When is it time to end a sponsor/sponsoree relationship?*

*Should my sponsor and I have the same food plan?*

*When am I ready to be a sponsor?*

*Should people only sponsor someone of the same gender as themselves?*
